

NEED A FUNDRAISER? START WITH A CLOTHING DRIVE

No selling. Just fundraising made easy!

In just ONE day, your youth-serving nonprofit, school, or church group can collect gently used clothing and turn it into cash for your cause.

You bring the bags of clothing—we'll handle the rest.

Let's turn unwanted items in your closets into BIG impact for local youth!

About Big Brothers Big Sisters of Utah

Your clothing drive fuels mentoring relationships that build confidence, skills, and brighter futures. Clothing donations generate 30% of our annual revenue, helping us match nearly 300 kids each year with caring mentors who provide guidance and support. Every bag you collect fuels local programs that help kids build skills, reach goals, and thrive.
