

HOW YOUR BUSINESS CAN IGNITE POTENTIAL

About Big Brothers Big Sisters of Utah

For nearly five decades, Big Brothers Big Sisters of Utah has connected youth, ages 6-18, with caring mentors who provide encouragement, consistency, and opportunities. Today, nearly 1,000 youth are matched with mentors each year, proving that together, we can build a brighter future through the power of mentorship.

Do Something Big

Be part of a growing network of small and mid-sized Utah businesses creating brighter futures for youth. With flexible partnership opportunities, it's easy to find the one that best fits your business and your goals.

WAYS TO GET INVOLVED

1. Help connect caring adults with youth waiting for a mentor.

Recruitment tables, QR code displays, window clings, counter signs, digital screens

2. Support mentoring through giving.

Round-up campaigns, percentage-of-sales days, featured product donations

3. Turn gently used items into funding for mentorship.

Gently used clothing drives, book drives, seasonal clean-out campaigns

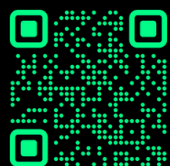

4. Inspire others to champion mentorship.

Posters, coasters, social media collaboration, coloring pages, newsletters

PARTNERSHIP BENEFITS

Every partnership creates more opportunities for youth to be matched with a caring mentor. One partnership. One meaningful connection. Lasting impact.

Gain brand recognition and positive community visibility, be recognized as a champion for youth mentoring, engage employees in meaningful service, access ready-to-use marketing materials, and see the impact of your support through regular reporting.
